

To all
**Participants of the
Softball European Championship Junior Girls 2008
in Deggendorf**

Deggendorf, 17.06.2008

Dear participants,

As the host of the Softball European Championship Junior Girls we would like to inform you about our proceeding preparations.

Due to the official schedule the opening ceremony on Sunday will start at 4:00 p.m. The technical meeting will be held around 2:00 p.m. – the meeting will either be on the site or in walking distance (500m). Please note we can only offer practice times until 1:00 p.m. afterwards it is not possible to have practice sessions at the fields.

Because of the difficult parking situation in the area of our Ballpark it is not possible to park the busses next to the fields. That is why we arranged a shuttle service at no charge. We kindly ask you to use this service; the bus will go every 30 minutes. The only exceptions are Belgium and the Czech Republic who may park their busses with a special accreditation, because of the distance from the hotel to the fields.

All the other teams need to know that it is not possible to park the bus next to the Ballpark. In case you insist on using your own buses please make sure that your drivers know the situation. Please inform us when you do not want to use our free shuttle service.

As we already informed you we will offer professional catering at the fields. A special mobile kitchen is organized; the cooks will prepare every meal with fresh ingredients and on the spot. So it is possible to consider the individual plans of having lunch and diner at the fields. The meals change every day, pasta with different sauces and salad buffet will be offered daily. All meals will be offered for moderate prices. The menu will follow at latest 2 weeks before our tournament. I kindly ask you to order the meals in advance because we need to know what amount of meals we have to expect.

For a professional performance every player, coach and official will be instructed to have a personalized identity card always available. For that identity card I need the official team roster and persons in support with full names and the field of duty until July 31st.

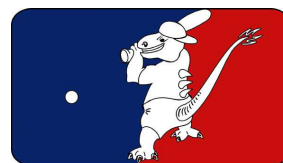

If you have any questions or comments, please do not hesitate to ask. Just send an e-mail to info@dragonsnet.de. We will do our best to help you.

We are looking forward to welcome you in Deggendorf in August.

Best regards,

Sybille Zak
Vice-president
